Case No. 3:22-CV-00548-MMD-CLB

**ORDER DENYING MOTION FOR  
STATUS**

[ECF No. 70]

10 On December 18, 2024, Plaintiff Curtis Truman ("Truman") filed a motion for  
11 update. (ECF No. 70.) Specifically, Truman requests an update on the Court's decision  
12 regarding Truman's response to Defendants' motion for summary judgment. (*See id.*)  
13 Truman is advised that filing motions seeking "updates" or immediate action on pending  
14 motions will not increase the speed with which the Court is able to proceed in this case.  
15 The Court has a heavy docket. Truman's case is just one of hundreds before the Court.  
16 Thus, Truman's filings only *slow* the pace of this litigation by requiring the Court's attention  
17 and consideration of small and secondary matters instead of the central issues in this  
18 case.

19 Accordingly, **IT IS ORDERED** that Truman's motion for status, (ECF No. 70), is  
20 hereby **DENIED**.
